

COMMUNITY Larder

tackling food
waste together

Indian Queens and District

Every Tuesday 10am till 11am

St Francis Church, St Francis Road

We can supply tinned/dried foods to anyone who is struggling financially, or facing a life crisis, especially as a result of the pandemic. Please come and see us or message us through our Facebook page. Our door is open to anyone and we want to help you.

Every Thursday

12:30pm till 1pm Victory Hall Car Park
and 1:30pm till 2pm Fraddon Village Hall

From the 21st January, everyone is welcome to visit our mobile community larder every Thursday to collect surplus food including bread, pastries, fruit and veg sourced from local supermarkets. This helps to reduce food waste, helps our environment and helps you save pennies.

* Please wear a mask and bring a bag. Food is free to everyone, but any donations are gratefully accepted.
